TERMS OF REFERENCE	
<p>BACKGROUND</p> <p>The Cacadu Development Agency (CDA) is a municipal owned entity whose mandate is to facilitate socio-economic development in the Sarah Baartman District area with a clear vision of inclusive growth.</p> <p>Sarah Baartman District Municipality (SBDM) is 56 000 square KM radius that consists of seven (7) municipalities and covers the following areas:</p> <ol style="list-style-type: none"> 1. Makana Municipality 2. Ndlambe Municipality 3. Kouga Municipality 4. Dr. Beyers Naudé Municipality 5. Blue Crane Route Municipality 6. Koukamma Municipality 7. Sundays River Valley Municipality 	

The Tourism Sector is amongst the key sectors, that can positively contribute to the country's inclusive economic growth especially in the era post the restrictive conditions of the Covid pandemic. The Sarah Baartman region is blessed with a diverse tourism offering and that is a main contributor to the districts GDP. The impact during the hard lockdown and massive reduction in tourism revenue left a gaping hole in the tourism of the district. As a complementary part of the post-Covid recovery it has become essential to invest in differential tourism products that cater for those that are seeking a different tourism experience. This RFP therefore seeks to uncover hidden, under utilized and undeveloped heritage assets that can assist in expanding and promoting the tourism offerings in all local municipalities in the district.

The tourism sector is said to directly employ approximately 4.2% of total employment in the South Africa. The indirect employment contribution from tourism is estimated at approximately 9.2% year on year. Improving our tourism assets and infrastructure therefore create unique and more diversified tourism product offering that can contribute to broadening participation and encourage tourists to interact with hosts and services providers beyond the mainstream providers.

This assignment is to find those hidden, undeveloped and under utilized heritage sites in each local municipality within the Sarah Baartman District and to provide high level guidance for further development for each shortlisted site.

CERTIFICATE OF INDEPENDENT BID DETERMINATION**

- 1 This Municipal Bidding Document (MBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
 - a. take all reasonable steps to prevent such abuse;
 - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.

- 5 In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
